Florida Stargators

Year 2000 has gotten off to a great start for the Alabama Wandering Stars. The camp-outs have been well attended, the food has been fantastic and the weather has been beautiful, except for a couple of tornado warnings in March that kept us scurrying back and forth to the bathhouse for about an hour. Never a dull moment at our campouts!

We did not camp in January, but had two wonderful outings in February and March. In February we traveled to Noccalula Falls in Gadsden, Alabama and headed south in March to Gunter Hill near Montgomery. On the 7th, 8th, and 9th of April you could find us at the Tannehill park located between Birmingham and Tuscaloosa.

If you are traveling through Alabama anytime be sure to check the *Where Are You?* section of this *Chatter* for the dates of our campouts or contact: Hilda Moody, 4915 Burros Street, Huntsville, Alabama, phone 256-852-1189. Join us for a weekend of fun, food, fellowship, recreation or just plain old rest and relaxation. You are always welcome.

*-Hilda Moody*

Are you having a good day? I hope so! The days are getting longer and camping season is here.

Our winter was cold and the snow and ice stayed around for a while, but the most memorable part of the season was the astronomical fuel bills for those who heat with oil. Families with electric or gas heat now had their turn to smile.

It is now time to forget all that and think about sitting around a nice warm wood fire with lots of friendly interesting people. We will be able to sit around that fire if the legislature reverses a bill they inadvertently passed to outlaw outdoor burning. It is pretty hard to keep warm with our citronella buckets.

We started the 2000 camping year with a winter meeting at The Colony of Vernon on Feb. 2nd. Seventeen families gathered to enjoy a delicious meal and to catch up on family news and activities. We had some fun with a Yankee swap. We do come up with some interesting items. The lottery tickets changed hands several times, and were finally taken by the Rozzi-Herrmann family. Peg reported they only paid \$2.00. Some of us went home with the items we brought.

Check for our schedule in the *Where Are You* section of this issue.

Our first three campouts of the year had good attendance, good food, and good fellowship. We also had several guest families attending. We welcomed Faye and Joe Boland from the Michigan Chapter; Rosanne and Don Trent from the Ohio Chapter; and Chuck and Alma Buente from the Illinois Chapter. We hope to see you camping with the Fla. group again next winter.

We are now looking forward to our April campout which will be held at Lazy Days RV Resort with the Handys and Sorels as wagonmasters. This resort is near Tampa where there are many attractions and fine restaurants.

The campground provides a free breakfast and light lunch. We also will have our corn beef and cabbage dinner that was cancelled at the March campout due to the illness of the main cook. We are glad to hear that Marvin is doing very well after his surgery.

The Keenes were our wagonmasters in May as we travel to the Lake Okeechobee KOA. There were two swimming pools and a golf course at this resort and we had a pot luck supper on Saturday evening and played some competitive bean bag baseball.

In June we will be camping at
